

# GREENSTONE

STUNNING CUSTOM HOME ON THE SIDE OF A MOUNTAIN WITH HIGH SPEED INTERNET

Work from home while immersed in nature in this superb custom home with one floor living and fiber optic internet.

You'll bask in the luxury of fine construction and sublime detail with four bedrooms and four and a half baths while just two miles from a trail head of the iconic Appalachian Trail.

Walking through the front door feels like you are walking into a forest with an array of picture windows to capture the views and a full length deck offering a bird's eye view of the hardwood canopy and the valley below.

The c. 2016 home has been maintained in perfect condition with three bedrooms including a light drenched master suite on the first floor. There is a private guest suite with a full bath on the second floor and a full unfinished walkout basement with another bedroom and full bath ready to finish and a two car garage. HVAC is in three zones with heat pumps and LP gas back up. Water is from a generous drilled well.

Greenstone is on 8 acres with a moderate slope. There is nice landscaping around the home and meandering trails throughout the acreage revealing different views at every turn.

While very private, the charming town of Stanardsville is a mere ten minutes away with Charlottesville, Harrisonburg and Washington DC all easily accessible.
